Welcome to Walkley Festival

This booklet is 100% recyclable.
Please recycle after use. ♻️

Walkley Community Forum Welcomes you to what will be our 19th Walkley Festival ... After the last two years of not being able to hold this annual event, we are now able to join together and celebrate this long-awaited occasion.

The theme this year – Walkley Streets. Find out what secrets our streets hold. The Historians are a wealth of information regarding Walkley past and present and will be linking the old streets with our green spaces.

With over two weeks of varied events, there are lots of opportunities to learn new skills and find out what Walkley and Uppertorpe has to offer. Learn about our many green spaces and how we can help ourselves and each other with the numerous and friendly charity run community groups we have.

We have a celebratory Prelude this year with the Buddhist Centre's Garden Party, followed by a night at our very own Walkley Palladium (AKA

– Walkley Community centre) where we get an opportunity to find out how much talent Walkley holds. Then our Big Launch Day stretches along all of South Road and Howard Road joining together many of our businesses and community groups, showcasing a plethora of skills and diversity. This also coincides with the children's fun day at Ruskin Park.

Walkley is holding its first ever Market Day on Millennium Green (celebrating its 30th birthday too).

We will end with a big celebration in Ruskin Park for the Festival Finale, with music, food, refreshments, activities, crafts and games, bouncy castles, climbing wall, petting zoo. Lots of surprises and fun to be had by all ages.

Everyone welcome.

Enjoy the start of your summer ... Let's get our urban village lively, thriving and buzzing again.

Walkley Forum

Walkley has been through some tough times in the last few years.

Do you know that the Walkley Community Forum (WCF) is here to listen to and give a voice to Walkley residents, businesses, workers and shoppers? We want to improve services, facilities and the environment for the benefit of everyone in the area.

The WCF committee has been refreshed and to achieve your objectives we invite you to attend future meetings at the Ebenezer Methodist Church Hall.

After an absence of two years WCF warmly invite you to attend, participate and support the 2022 Walkley Festival.

Things have changed since the last Festival in 2019, as we have successfully bid for funding in association with ZEST for 2022 to enhance our celebrations.

A big thank you to all our advertisers, sponsors and event organisers and to Ann Lynch Festival Coordinator, on behalf of WCF and ZEST.

For further details on WCF, please contact walkleycommunityforum@gmail.com and for the Walkley Festival, please contact walkleyfestival@gmail.com.

Sheffield Buddhist Centre

GARDEN PARTY

Expect stalls selling everything from home-made cakes to plants and bric-a-brac, very silly games and a great atmosphere in the gardens while live music plays. We aim to have lots of fun and raise money to give away to good causes.

We hope that we can carry on the great atmosphere of the Summer Fair in a smaller scale event which won't involve so much crowding together inside. So this year we will NOT be selling clothes, shoes and household linens.
